Issue 19: Exploring Green Growth, De-Growth, and Post-Growth: Heterodox Frameworks in Regional Development

In our pursuit of understanding sustainable regional development, Issue 19 beckons authors to delve into green growth, de-growth, and post-growth. Embracing heterodox frameworks, we invite contributors to unravel the complexities of environmentally conscious regional strategies.

RSA Highlights Special Section on the

RSA Annual Conference 2024

- Introduction: Regional Studies Association’s Annual Conference 2024 #RSA24

This special section features the following reports:
